This letter is in response to your request for further information regarding our report  
APRIL QUARTERLY REPORT (01/01/2014 – 03/31/2014).

**Excessive Contributions from Individuals: Larsen, Gimi**

The reporting of \$5,000 as a primary in-kind donation was an error on my part. The donation was to be split between the primary and the general election as the in-kind research will be used in part in the primary and in part in the general election. This was understood by the donor and by the campaign at the time of the donation.

The report has been amended to reflect the original intent.

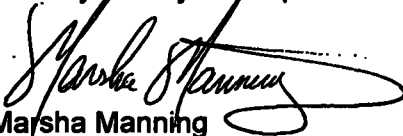

**Contributions from Individuals with Foreign Addresses: Rifat K. Haffar**

Mr. Haffar is an American citizen living temporarily abroad. He has provided a copy of his passport to validate that he is a U.S. citizen (attached).

The report now has an added memo to the transaction with a statement saying the same.

I realize that I am past the stated deadline for submitting this information. I was not aware until this late date that the request had been made as I did not receive a copy of the email until the candidate forwarded it to me. I did receive an email stating that the report was filed originally at the email address: [bob4congress@gmail.com](mailto:bob4congress@gmail.com)

Thank you for your help.
